What is ALT anyway?

ALT is everything you ever wished for in an active online fetish, bdsm, and bondage lifestyle community. We're a devoted bunch of kinksters who are serious about creating safe, sane, consensual playful space for perverts like us to fulfill their fantasies. And we're passionate about being open and inclusive of all genders, roles and relationship styles. Are you queer, single or new to the lifestyle? In a poly relationship and looking for play partners? Are you a bi-curious slave looking for a Master or a Mistress you can serve? Maybe you're trying to find that certain someone who will fully submit to your wants and needs. Or are you just looking to watch and learn, find and explore past your own personal limits in private? ALT is a vibrant and lively community of open-minded kinksters here to help you get what you need.

Who's on ALT, hmmm?

ALT is a hotbed of fun-loving and eager kinksters of all levels of experience. We've got it all, from beginners, novices and full-fledged lifestyle practitioners. Are you a committed 24/7 lifestyle looking to play and scene with someone new? With all of the sexiest, dirtiest and most fun-loving kinky folk online why bother looking anywhere else? Whether you are looking for a master or a slave, a dominant, submissive, full power exchange, play partners, public disgrace or a strictly private affair ALT is the fetish dating community for you.

So then why choose ALT?

Because ALT is different than other kinky communities. ALT is exclusive. Sure there are plenty of dating sites out there, but few are exclusively devoted to kink & bdsm dating communities. Sites like fetlife.com, bondage.com, collar.me.com are all kinky but ALT.com is different. We're creating a global network of safe, sane and consensual play partners. Sites like okcupid.com, match.com, zoosk.com and lavalife.com are fine and dandy for vanilla folks but they just can't give us what we want and need. Plus connecting with people is easy on ALT with tools like keyword search, matchmaking tools, email, chat rooms, 1x1 chat, webcams, member videos, blogs, flirts, bulletins and groups. ALT members can also view kinky, bondage and fetish tubes and porno, live model chat and live model webcams.
